Internet Browser Software / Tablets

Computers

With the software upgrade, you may now use the browser software you like the best. Please use an updated version of these free software programs: Mozilla Firefox, Google Chrome, Internet Explorer and Safari for Macintosh computer users.

Tablets

You may use an iPad or Tablet to access the eLearning Center and do most functions. Currently tablets do not support the autoplay function built into some of our online courses and therefore online course will not run on tablets or iPads.
